AFFIDAVIT State of Alabama - MOBILE County

AECOM
738 LAUREN CIRCLE
LAWRENCEVILLE GA, 30043

Before me, a notary public in and for the county and state above listed, personally appeared **WILLIE GRAY** (PUBLISHER), who, by me, duly sworn, deposes and says that: My name is **WILLIE GRAY**, I am the Publisher of the Call News ("Newspaper"). The Newspaper is printed in the English language, has a general circulation and its principal editorial office in the county in which it is published, and has been mailed under a publication class mailing privilege of the United States Post Office Department for the Post Office of Citronelle, AL, where it is published at least 51 consecutive weeks a year.

I further certify that the attached notice is a true and correct copy of the notice published in said Newspaper.

Public Notice LEGAL

The Newspaper published the attached legal notice in the issues of
10/4/2023

The sum charged for these publications was \$66.40 per week for 1.00
consecutive weeks, a total cost of \$66.40.

The sum charged by the newspaper for said publication does not exceed the lowest classified rate paid by commercial customers for an advertisement of similar size and frequency in the same newspaper(s) in which the public notice appeared.

There are no agreements between the newspaper and the officer or attorney charged with the duty of placing the attached legal advertising notices whereby any advantage, gain or profit accrued to said officer or attorney.

(Publisher)

Sworn to and subscribed before me on this 4th day of October, 2023.

PUBLIC NOTICE

Community Interest Survey for Restoration Advisory Board Army National Guard Organizational Maintenance Shop 28, Mobile, Alabama

Organizational Maintenance Shop 28 (OMS 28) is an Alabama Army National Guard (ARNG) Field Maintenance Shop 28 located north of the Mobile Aeroplex at Brookley in Mobile, Alabama. The ARNG has recently completed environmental studies, including soil and groundwater sampling, at OMS 28 due to the military vehicle and equipment maintenance operations conducted at the site. Currently, a feasibility study is being prepared to present the remedial alternatives for site use.

The Department of Defense encourages community involvement in the environmental restoration process and a Restoration Advisory Board (RAB) is one of many methods the ARNG may use to facilitate public participation at restoration sites. To keep the public informed and to provide opportunities for public involvement in its environmental restoration program, the ARNG is evaluating community interest in establishing a RAB, which would be made up of participants from the Army, Alabama Department of Environmental Management, and volunteer members of the local community. RABs provide a collaborative forum for the community, government agencies, and installation decision makers to discuss and identify the most efficient and productive means to restore the environment. RAB participants are not compensated and should be willing to attend all RAB meetings, which could last between two to four hours each and are held several times a year until the restoration activities are complete. Additionally, members must be willing to devote ample time to review documents within prescribed time frames.

The ARNG welcomes public feedback regarding interest in establishing a RAB for OMS 28 no later than November 3, 2023. Inquiries or questions should be submitted to: Alabama Army National Guard Public Affairs Office, alngpao@mail.mil 334-271-7244.

An Information Repository (including the Administrative Record files), which documents the rationale for all remedial action decisions for this site, is maintained and accessible to the community at 1622 South Broad Street Mobile, Alabama 36605 and on-line at www.mobileoms28.net.
