Dear Mr. Mitchell:

Enclosed are our responses to your comments dated May 1, 2025, on the Feasibility Study Revision 1 for Organizational Maintenance Shop 28 located in Mobile, Alabama, dated October 2024. These responses do not necessitate another revision of the Feasibility Study, so the Feasibility Study Revision 1, dated October 2, 2024, is considered final.

The Proposed Plan for Organizational Maintenance Shop 28 was submitted for your review on April 24, 2025. Please provide review of the Proposed Plan so that we may continue to make progress toward Record of Decision and ultimately remedy implementation at Organizational Maintenance Shop 28.

If you have questions or concerns, please contact me at [walter.f.gee.civ@army.mil](mailto:walter.f.gee.civ@army.mil) or (520) 672-1291.
